

FROM THE PRINCIPAL

Dear Parents and Community Members,

The new annual report card issued by the Oregon Department of Education offers a picture of how our elementary and high schools are performing. Both schools earned an overall State Rating of Level 4. That means our students are showing results that exceed that of 44% of all schools, but are not as good as the top 10%.

While results are good overall, we have seen relatively slow growth in our writing scores. We've chosen to address this issue by focusing our resources on implementing the new Common Core State Standards (CCSS), which reinforce literacy across content areas.

We promise to deliver the same excellence you have come to expect from us here at Sherman County School District. You can help by monitoring your student's homework, attending parent-teacher conferences, or even volunteering. You can review your student's assignments and grades at any time by visiting www.schoolmaster.sherman.k12.or.us/webgrades/smframe.htm. We look forward to partnering with you over the coming year to make sure all of our students reach their potential!

Thank you,

Principal | Todd Swan

STUDENTS

OVERALL STATE RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2012-13, this school is rated as Level 4.

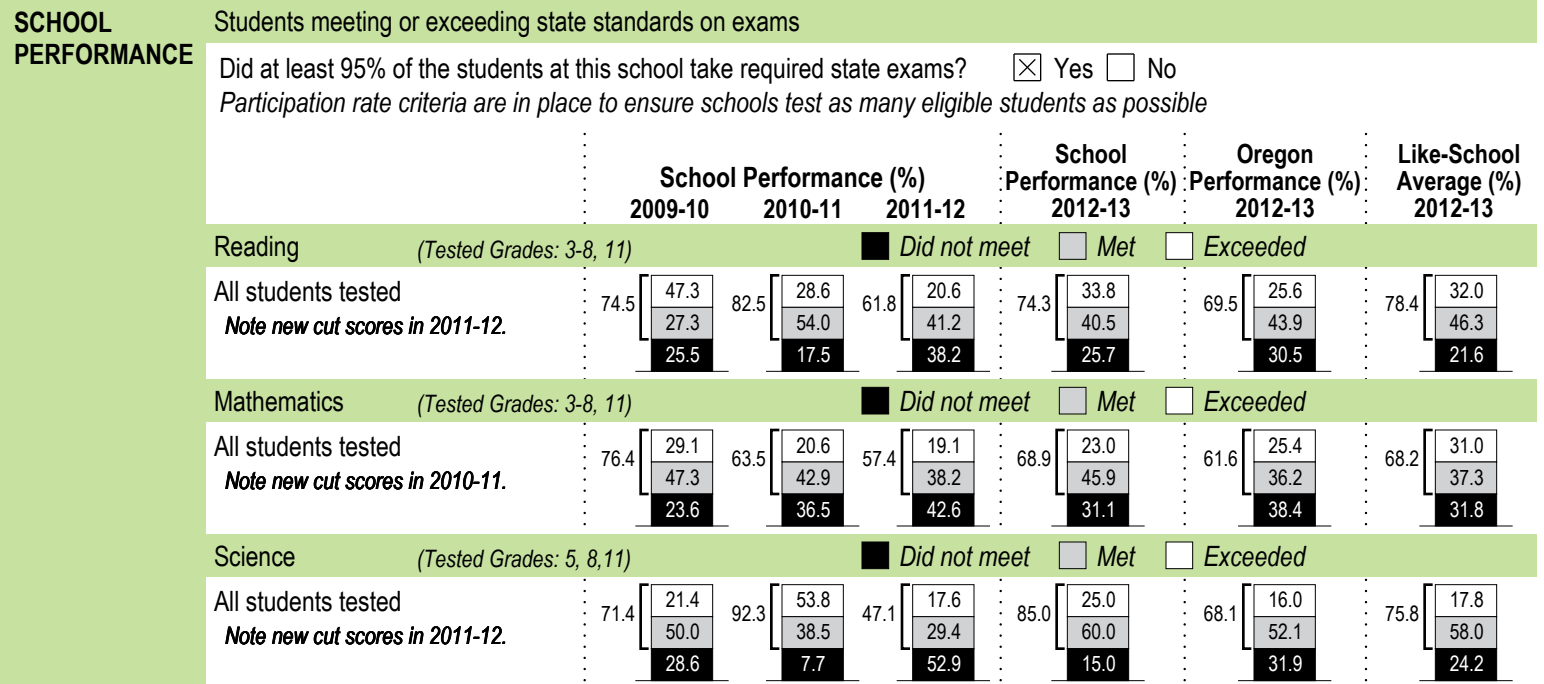

- Level 1** = Falls into the bottom 5% of schools
- Level 2** = Falls between 5% and 15% of schools
- Level 3** = Falls between 15% and 44% of schools
