

FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education offers data on the quality of education and student performance at Sherman Elementary School. Due to recent passage of the federal government's Every Student Succeeds Act (ESSA), Oregon schools will not receive an overall rating; however, we are still able to compare our achievement levels against state averages and other schools of similar demographics. The last time rankings were released by the state, Sherman Elementary received a top score.

As a school, we will be focusing additional time and expectations for math problem solving tasks along with adding more writing across the curriculum. We continue to create a schedule that will allow for additional

small group instruction in reading. Our teaching staff will continue to use classroom assessments and testing data to drive instruction so as to meet the needs of each individual student.

We strive to provide the skills along with the interest for our students to be life-long learners. We appreciate the data received from state testing, but also recognize the individual strengths and needs our students have in many other areas as well. We very much look forward to being partners with our parents and community members to have our students reach their full potential as students and confident responsible individuals.

Thank you,

Principal | Bill Blevins

OVERALL SCHOOL RATING

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.
