

FROM THE PRINCIPAL

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education generally offers a picture of how our school is performing on certain indicators. Due to recent passage of the federal government's Every Student Succeeds Act (ESSA), Oregon schools will not receive an overall rating; however, we are still able to compare our achievement levels against state averages and other schools of similar demographics. State tests are merely one way of assessing the work that is done at Sherman County School for preparing our students to be successful as citizens, as well as prepared for college and careers. While we can be proud of what is accomplished in our school, we understand that we must continue to strive to improve on how we serve our students and community.

It can be easy to merely focus on the data, but we have so much more to be proud of than what goes into our state report card.

We have a supportive, caring community that wants the best for its students. Our students benefit from small class sizes, a caring staff, and a wealth of electives for a school our size. We offer shop class, agriculture, home economics, robotics, STEM, , band, journalism, P.E., weight lifting, as well as Advanced Placement classes in calculus and U.S. History. We will continue to give our students a well-rounded, quality education at Sherman County School.

Thank you,

Principal | Bill Blevins

OVERALL SCHOOL RATING

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.
