District Goals

The Sherman County School District Board has established goals to: increase student achievement at all levels through a focus on reading, writing, math & science; provide support for expanded opportunities for students to graduate from high school prepared for post-secondary education & training; provide enhanced professional development for staff with implementation of Response to Intervention & Positive Behavioral Intervention & Supports; implement the Board-adopted steply initiative; and be more intentional with communication to increase parent and community involvement as partners in the education of their students.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
