Sherman County School District Announces Ivan Ritchie as Interim Superintendent for the Remainder of the 2013-14 School Year

Sherman County School District is pleased to announce Ivan Ritchie as part-time Interim Superintendent for the remainder of the 2013-14 school year. Mr. Ritchie served Sherman County School District as Superintendent from July of 2007 until he retired in June of 2012.

After a little more than a year away from the district, Mr. Ritchie was feeling ready to contribute a little more. He said, "I did a little traveling, but I often found myself thinking about the district. I am extremely honored and proud to serve Sherman County School District again and my part-time schedule is the perfect balance of family and work."

The school board and staff members have warmly welcomed Mr. Ritchie and look forward to his guidance and leadership over the next several months. This month Mr. Ritchie will begin the process of leading the district in their search for a superintendent for the 2014-15 school year.
