

Sherman County School District "Builds" Opportunities for Student Success

WORKING TOGETHER TO PUT STUDENT SUCCESS FIRST

With Phase I now complete, it is a perfect time to thank the Design Committee, the Agricultural Advisory Committee, the Color Selection Committee, and the Kitchen Equipment Committee who have participated in the development of the comprehensive pre-K through 12 building project. In addition, the District would again like to extend sincere gratitude to the James Weir Memorial Fund – Biglow District for their support and extremely generous gift of \$500,000 that made the James Weir Agricultural Science and Technology Center possible.

The School District has scheduled a ceremony on March 30th at 2:00 p.m. that will include a ribbon cutting and the dedication of a bronze plaque to honor the generosity of the James Weir Memorial Fund – Biglow District. If you plan to attend the ceremony, please check in at the main office.

Over Spring Break, Phase II made huge strides as framing and concrete work continue and the elementary wing and gymnasium are starting to take shape. Please see the pictures below. Over the next few weeks we expect continued progress.

As always, if you have any questions or would be interested in a tour, please contact me at (541) 565-3500, (541) 333-2250 or wowens@sherman.k12.or.us. Thank you for your support of the Sherman County School District.

Sincerely,
Wes Owens
Superintendent
