

SHERMAN COUNTY SCHOOL DISTRICT
Architectural Design Committee Meeting
June 13, 2016

The Sherman County School District Board appointed Architectural Design Committee members met in the Sherman County Public/School Library in Moro, Oregon. The following were present: Wes Owens, Bill Martin, Angie Thompson, Kyle Blagg, Gerald Casper, Ken Melzer, Lowell Smith, Bill Blevins, Craig Wood, Amy Huffman, Cindie King, Ree Ella von Borstel, Jeanie Pehlke, Mike Marino, Mike Carter, Todd Turner, and Larry Hctor.

The meeting began at 5:00 p.m.

MEETING NOTES

Tour of PK-6 Wing

Mike Carter of KNCC took the group on a tour of the elementary wing.

Review of Finalized Option 5 Design

Todd Turner of BBT Architects went over the Option 5 Design on a set of plans.

Budget Update

The contingency fund is currently \$249,000. A list of additional alternate options, without the science remodel and bathroom upgrade, were discussed. It was determined that the cost of the additional alternate options without the science and bathroom remodel total \$112,000. Various science design options and their related costs were discussed.

Prioritizing of Remaining Alternate

Design Committee members were asked to prioritize all alternate options except the science remodel and return their list to Jeanie Pehlke as soon as possible so a list could be given to the School Board. (Attached and made part of this document.) The committee determined that the mass fill at the gymnasium and the benches at the front of the school would not be considered as a priority.

Adjourned

The meeting was adjourned at 7:06 p.m.
