

Sherman County School

"Home of the Huskies"

June 2, 2020

Sherman County School Community,

With six school days left, I want to share a few updates regarding the end of the 2019-20 school year. First, I want to thank everyone for your individual and collective efforts to support our school and students. Even though it has been challenging over the last three months, we can learn lessons from this public health situation that will make us all stronger.

Graduations, end-of-year award programs and celebrations are always a highlight of the school year and mark the culmination of grade level and entire school careers. We are looking forward to honoring our seniors with personalized graduation ceremonies this weekend. I would like to remind everyone that on Friday, June 5, from 8:00 a.m.-7:00 p.m. graduation boxes will be set up in alphabetical order in front of the school for community members and friends to drive by and drop off cards and gifts.

The entire staff at Sherman County School has worked hard at continuing the tradition of recognizing academic and athletic accomplishments of our students. You are now able to view the K-6, 7-8, and 9-12 Academic and Athletic Award Programs virtually. There is a link to the Sherman County School Award Programs on the homepage of the district and school websites. In addition, the Kindergarten "I Can" program as well as the 6th grade speeches will be shared by teachers to our parents and students. Even though these programs are not in their usual format, we hope you enjoy the creative productions.

Next week, we have scheduled times for students to return items back to the school. This includes school books and materials. Chromebooks can also be turned in, but we are allowing the option for students to keep them over the summer for enrichment activities if families so choose. Pick up locations will be at regular lunch delivery sites.

Pick up times and dates for materials will be as follows:

Tuesday, June 9: Rufus and Wasco - 11:45 a.m.-12:45 p.m.

Wednesday, June 10: Grass Valley and Moro - 11:45 a.m.-12:45 p.m.

During the pick-up times, we will also be bringing any students' personal items left at the school that were not previously picked-up. Please contact the school at 565-3500 if you have any questions.

Let's all cross the finish line strong!

Be safe!

Wes Owens
