

# MISSOULA CHILDREN'S THEATRE

A PRODUCTION OF MCT, INC.

Throughout its 45 year existence, the Missoula Children's Theatre International Tour has fostered developmental life skills in more than a million kids. Just this year, we will work with 65,000 children in more than 1,200 communities in all 50 states and 17 countries. The Missoula Children's Theatre relies on your generosity to close the gap between low tour fees and the actual cost of touring. If our program has had a positive impact on you or a family member, and you would like to help ensure this experience for future generations, please contact [Development@MCTinc.org](mailto:Development@MCTinc.org).

Federal employees can contribute through the Combined Federal Campaign using CFC code #20396.

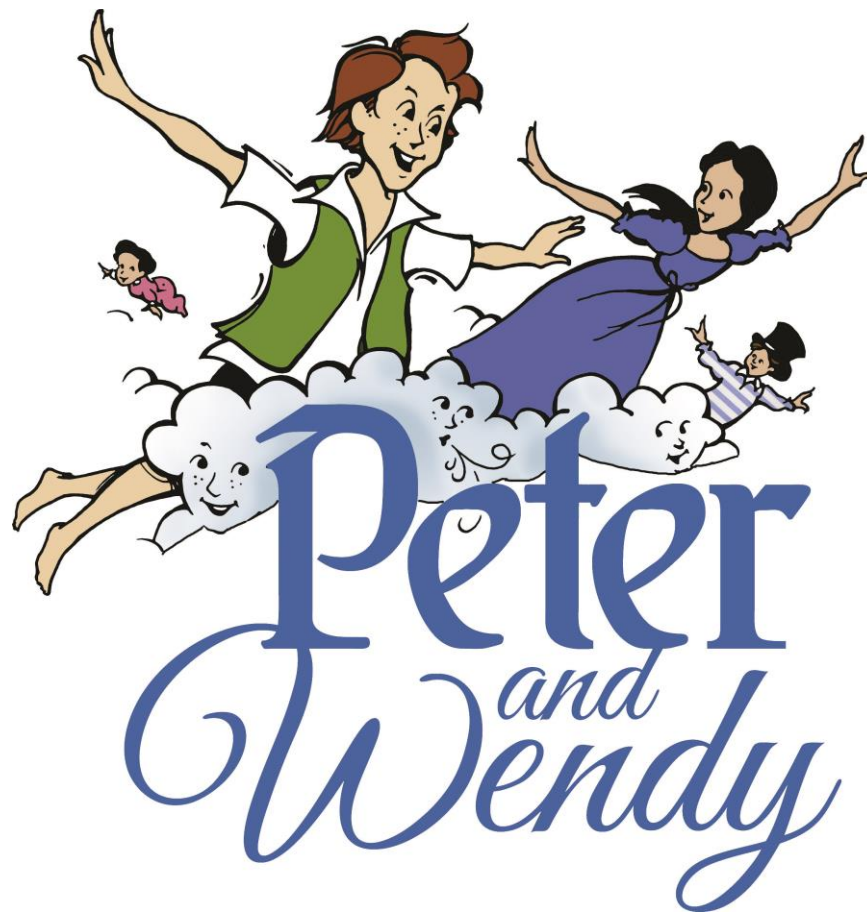

"Guess what? I made it...I'm in the **play!**"

On stage or behind the scenes, your children are stars! Maybe this is their first show, or they've been in 12 MCT shows. Either way, their Missoula Children's Theatre experience will always shine bright. We invite you to honor that experience with a "star" in the MCT Galaxy, located in MCT headquarters in Missoula! How many stars are in the galaxy? When you participate, the sky's the limit! You may even want one of your own for being your child's life-long stage manager. To see a sample of the MCT Galaxy and learn more about this exciting, new way to celebrate your star, visit [MCTinc.org/mct-galaxy](http://MCTinc.org/mct-galaxy).

## PETER AND WENDY SYNOPSIS

When Captain Hook sends his right-hand man, Smee, on a quest to capture Peter Pan, it's seemingly business as usual...at first. Little does Hook realize what fantastic adventures await him and his pirate posse in their search for the elusive Peter Pan. Mistaken identities, ever-morphing clouds, a classy crocodile, some very lost boys, and a fickle shadow all add to the mayhem. Meanwhile, Mr. and Mrs. Darling embark on a quest of their own and find themselves trekking everywhere from Hawaii to the North Pole in search of their three missing children. With help from the earth-friendly Neverlanders, exotic Neverland creatures, and faithful Tinker Bell, the Darling children are found, disputes are ultimately resolved, and everyone – including Captain Hook – finds a place where they truly belong.

This project is partially supported by the National Endowment for the Arts. Supported in part by a grant from the Montana Arts Council, an agency of the State Government, and the National Endowment for the Arts.

The residency in Sherman County is made possible through funding from Sherman County Prevention Funds, and from donations in kind from families and businesses in our county.
