WORKING TOGETHER TO PUT STUDENT SUCCESS FIRST

December 1, 2017

We are extremely fortunate in Sherman County to have so many gracious community members and organizations who support our school and students. During the past year, we have seen a variety of individuals and groups volunteering their time to assist in the development of the new north playing field area at Sherman County School.

To start, the Sherman County Athletic Foundation led by Chris Moore has been instrumental in the expansion and development of the athletic and play field that is shaping up to be a beautiful Little League field and spacious play area. It will also be a space that will eventually become a community area for physical activity for all ages. As history has shown, the Athletic Foundation has been involved in developing our athletic facilities into one of the best in the State of Oregon. In addition, the Sherman County Lions Club has brought financial support and volunteers to make the new Little League field become a reality.

The irrigation system for the north fields was designed by Chris Kaseberg. He has also provided many hours of expertise and volunteer support on site during all stages of development.

While it is possible that we may miss an individual who has volunteered, it is important to us to make an attempt to list those who have been on site supporting the project or who have donated the use of equipment. Chris Moore, Chris Kaseberg, Nico Burchard, Dean Dark, Stephen Fritts, Dan Funkhouser, Travis Lawrence, Doug Martin, Tom Martin, Clint Moore, Ethan Moore, Ed Rubio, Carlos Sanchez, Jeremy Shull, Grant Simpson, Nate Smith, Scott Susi, and Ryan Thompson.

Even though this project is progressing well, a great deal of work still remains. If you are interested in learning more about the project or volunteering, please don't hesitate to contact Wes Owens at 541-565-3500 or Chris Moore at 541-993-3433.

Again, the Sherman County School District truly appreciates the amazing support we receive from so many thoughtful constituents. Thank you to everyone in our great community for your continued support.

With all good wishes to you and your family for health and happiness during the Holiday Season and throughout the New Year!

Happy Holidays,

Wes Owens
Superintendent
