Campus Description:

The Sherman County School is a K-12 progressive school with approximately 250 students, located in Moro, Oregon. The 2016-17 school year brought the opening of a new elementary wing and remodeled Jr./Sr. High School that joined as one modernized facility. This remodel included the construction of a new and expansive, thoughtfully designed, state-of-the-art Agricultural Science and Technology Center.

Desired Qualifications:

1. Experience with leadership development through the National FFA Organization.
2. A strong understanding of Professional Learning Communities and the ability to work as a team.
2. Working knowledge of Common Core State Standards and effective teaching strategies.
3. Ability to promote Career and Technical Education and connect with the community.
4. Create a classroom environment that is conducive to learning and appropriate to the maturity and interests of the students.
5. Prepare lessons that reflect accommodations for individual differences.
6. Prepare for classes assigned and show written evidence of preparation upon request of administrator.
7. Encourage students to set and maintain standards of classroom behavior.
8. Take necessary and reasonable precautions to protect the students, equipment, materials, and facilities.
9. Ability to apply standard based, project oriented, meaningful classroom instruction.
10. Understanding of applied science principals in many facets of the agriculture and technical industry.
11. Ability to develop a well-balanced community based program.
12. Ability to teach a variety of agriculture skilled based courses to grades 7-12.
13. 14. Participate in district staff development.
15. Attend staff meetings and serve on staff committees as required.
16. Maintain a professional relationship with colleagues.
17. Establish and maintain open lines of communication with students, parents, and community members.
18. Perform other job-related duties as assigned.
