

Sherman County School

"Home of the Huskies"

June 12, 2020

Sherman County School Community,

We all made it! The School Board and administration would like to commend, honor, and express our sincerest gratitude to all Sherman County Students, Parents, Families, Staff, Community Partners, and the Class of 2020 for rising to the occasion during the past three months in a pivotal period in our school history. We could not be more proud of how everyone finished out the year strong and supported each other.

Thank you to all the students and families who turned in books and materials at the scheduled drop-off times this week. We will be offering two additional days where families/students may drive into the school driveway and pull up to the event center entrance to drop off any school books, materials, uniforms or sports equipment. This is scheduled for Tuesday, June 16, from 8:00 a.m.-4:00 p.m. and Wednesday, June 17, from 3:00 p.m.-8:00 p.m. We sincerely appreciate your efforts to turn in materials in order for us to inventory and plan for the 20-21 school year. Items not turned in will be billed accordingly to each student/family.

We have started the process of making plans and discussing options for what school might look like next year. While our anticipated start date for the 2020-21 school year of August 31 has not changed, we are actively planning for first-day-of-school scenarios and will share information as those plans are more fully formed and the recent, "Ready Schools, Safe Learners Guidance", is further examined. This guidance describes what we now know. Changes and updates are anticipated as the summer progresses.

Congratulations to EVERYONE for persevering through a tough and unusual time. Thank you and we wish you a joyful and relaxing summer vacation!

Stay safe and Go Huskies!

Wes Owens
