

# Sherman County School

*"Home of the Huskies"*

June 25, 2020

Sherman County School Students, Families, Staff, and Community,

I hope that you are all healthy and enjoying the summer break. School districts in Oregon are currently developing plans for reopening next fall. The Oregon Department of Education has also released the Ready Schools, Safe Learners Guidance for the 2020-21 school year for districts to follow as they develop individual plans. Our goal is to create a safe environment for students, staff and the community while striving to implement as much on-site instruction as possible. One element that is certain is our classrooms, procedures, and protocols will be different when the school year begins.

Students, parents, families, staff, and community members are essential partners, and we need your input as we construct the reopening plan for the 2020-21 school year. Please take a few moments to provide your feedback through a short survey that we developed to help guide our future planning. Please complete the survey by July 6.

You can find the survey posted on the home page of our District website at <https://shermancountyschooldistrict.weebly.com/>. A link that you can copy and paste is available on the school's Instagram page. It will also be sent via email to all emails recorded in our synergy school system by tomorrow.

Thank you in advance for your participation in the survey.

I would like to wish all of you a safe, restful, and memorable summer.

Wes Owens
