

Sherman County School Parents, Students, Staff and Community,

This is a message for January 14, 2019.

The Jr. High basketball games with South Wasco County have been cancelled today as well as all Jr. High/High School basketball practices and after-school activities. This will allow buses, students, parents and staff to travel home safely during daylight hours.

The only after-school activity that is still occurring this evening is the School Board Meeting at 7:00 p.m. in the Library Program Room.

Thank you for your understanding,

Wes Owens
