

Sherman County School

"Home of the Huskies"

May 22, 2020

Sherman County School Community,

I hope this message finds all of you safe and healthy. I want to start by thanking everyone (students, staff, parents, families, and community) for your collective efforts to support each other as we work together through a unique time in our lives.

I want to start by congratulating the class of 2020. We are committed to celebrating all of your accomplishments in the safest and most personalized manner, highlighting many past traditions. On June 5, from 8:00 a.m.-7:00 p.m. Graduation boxes will be available at the high school for community members and friends to drop off cards and gifts. The boxes will be set up in alphabetical order in front of the school for anyone to drive by and drop off items. On June 6, we will be honoring each graduate with their own personal ceremony at the school. Family members will be able to share the special moment with their graduate.

Our staff will be honoring our K-12 students through creative video presentations that are currently being developed. These videos and celebrations will be shared with all students and parents in June.

Prior to the end of the school year, we will be sharing information regarding the return of books, technology, and musical instruments.

I am pleased to announce that Brittany Waggoner has been selected as the new K-12 Principal. She will start on July 1. She has experience as a principal, school psychologist, and special services director. She leads with high energy and is an advocate for all students. There is more information about Mrs. Waggoner and her family posted on the school district website.

As we get closer to the end of the year, our staff will continue contacting and working with students to ensure we do everything possible to assist you in successfully completing your coursework. We will also continue delivering food bags through June 12.

I want to thank everyone for their support of Sherman County School. With that being said, I also encourage our school community to support our local businesses. They are often the first and most generous to support our school, community, teams and organizations.

As our attention turns to Memorial Day weekend, I encourage everyone to remember the reason for the holiday.

To all Sherman County School students, thank you for your hard work and let's all have a strong finish to the school year.

Be safe!

Wes Owens
