

Sherman County School

"Home of the Huskies"

October 22, 2019

Dear Parents and Guardians,

It is hard to believe Parent/Teacher Conferences are nearly here. We would like to take this opportunity to invite you to join us at our school for some meaningful conversations focused on the most important part of Sherman County School District, our students. As you attend conferences, there will also be an opportunity for stakeholders to give feedback and share suggestions through a short survey. The input gathered will help inform us on how best to support student success. We look forward to these key discussions that connect you with your students' education at Sherman County School.

This year, parent/teacher conferences have been scheduled for **November 7th from 12:45 p.m. to 7:45 p.m. and the 8th from 8:00 a.m. until 12:00 p.m.** Parents of students in grade levels K – 6th will be meeting with your child's classroom teacher. We will send home a flyer with a date and time for each Elementary student which will be located in their folder/binder. As for our 7th – 12th grades, we will continue using the "student-involved" conference format. We believe this format is very helpful in providing your student with an opportunity to demonstrate what they have learned and plan to achieve this school year. You and your 7th – 12th grade student are welcome to come to school at any time during the conference hours. Students will display their work, portfolio and grades, as well as, the goals they have set for themselves this year. Teachers will be available to assist your student and answer any questions you may have.

As a reminder, you have the ability to access your student's up-to-date grades and classroom assignments by checking ParentVue. There is a link on the school's website at www.sjshs.weebly.com or you can download the app from the iTunes or Google Play stores for iOS and Android devices. If you need assistance signing in, contact the school office.

If you have any questions, please call the school at 565-3500.

Sincerely,

Mike Somnis
SCS Principal

Wes Owens
Superintendent
